## Quality Policy

---

"The President and complete Management staff is dedicated to the sustained growth and success of Precision Die and Stamping Inc. through continuous improvement in our abilities to:

1. Plan our processes.
2. Train and inspire our people.
3. Provide the highest quality tools and equipment.

"We will produce and deliver only products which meet 100 % of our customer's requirements for Quality."

Ben Costabile, March 1996
